PINTA

80816

Français

La Pinta faisait partie de l'expédition qui groupait la Niña aux côtés de la Santa Maria lors du voyage qui devait selon Christophe Colomb, le conduire vers les Indes et au lieu de cela découvrit le nouveau monde (l'Amérique). Cette caravelle était commandée par Martin Alonso Pinzon et avait l'avantage d'être la plus rapide des trois.

Deutsch

Die Pinta war zusammen mit der Niña und der Santa Maria eines der drei Schiffe, mit denen Christoph Columbus aufgebrochen war, um einen neuen Seeweg nach Indien zu entdecken. Statt der neuen Route, entdeckte er auf dieser Fahrt einen neuen Kontinent: Amerika. Wie die Niña gehörte auch die Pinta den Brüdern Pinzon. Diese Karavelle, unter dem Kommando von Martin Alonso Pinzon war das schnellste der drei Schiffe.

Italiano

La Pinta faceva parte della spedizione che raggruppava la Niña, insieme alla Santa Maria, nel viaggio che, secondo Cristoforo Colombo, doveva portarli alle Indie, scoprendo invece il nuovo mondo (America). Come la Niña, apparteneva ai fratelli Pinson. Questa caravella era sotto il comando di Martin Alonso Pinson e aveva il vantaggio di essere la più veloce delle tre caravelle.

English

Alongside the Niña and the Santa Maria, the Pinta was part of the fleet which Christopher Columbus thought would take him to India. In fact, he wound up discovering the new world (America). The Pinta, like the Niña, was owned by the Pinzon brothers. This caravel, the fastest of the three ships, was captained by Martin Alonso Pinzon.

Español

La Pinta formaba parte de la expedición que agrupaba la Niña, al lado de la Santa Maria, en el viaje que, según Cristóbal Colón, debía llevarles a las Indias, descubriendo en su lugar el nuevo mundo (América). Al igual que la Niña, pertenecía a los hermanos Pinson. Esta carabela estaba bajo mando de Martín Alonso Pinson y tenía la ventaja de ser la más rápida de las tres.

Nederlands

De Pinta was, samen met de Niña en de Santa Maria, een van de drie schepen waarmee Christoffel Columbus op weg ging om een nieuwe zeeroute naar Indië te ontdekken. In plaats van de nieuwe route ontdekte hij op deze reis een nieuw continent: Amerika. Net als de Niña, was de Pinta eigendom van de gebroeders Pinzon. Deze karveel, onder bevel van Martin Alonso Pinzon, was de snelste van de drie schepen.
